### There Has Never Been a Better Time to be a Community Partner With Your Pleasant Hills Library

A library brings tremendous value to its community. It teaches, inspires, opens doors and provides countless resources. **September 2016 is "Love Your Library" month.**

#### What is "Love Your Library" month?

Libraries across Allegheny County are inviting local businesses to participate in a special fundraising collaboration to show their support for their local library.

**Love Your Library** is a county-wide campaign developed by the Allegheny County Library Association (ACLA) & the Carnegie Library of Pittsburgh to encourage Community Partners like you to show their library love by investing in their libraries.

#### What does that mean to me?

Your donation this month will go much further. Thanks to generous support from the Jack Buncher Foundation, **donations made to Pleasant Hills Library throughout September 2016 will be MATCHED** on a pro-rated basis, up to \$500 per donor per library. Our Library relies on the support of generous donors such as you. Your donations are tax-deductible and will help ensure our future success. Strong communities NEED strong libraries and your business needs a strong community for your continued success.

#### What happens to my donation?

Funds from the campaign will be used to expand and enhance our existing programs and services. In 2015, the Library offered over 495 adult, children, senior and family programs that were attended by 9300+ people; 59,700+ items were borrowed including books, movies, music CD's and downloadable content.

To thank you for your generosity, your donation will be acknowledged and your business will be recognized on our website. A *Community Business Partners* flyer will be created and handed out at our 2017 Programs and Events. We will also highlight your business on our new Community Partner display here at the Library.

If you have further questions about our Library's services and operations, our business campaign, or major naming gift opportunities, please contact our Library Director, **Sharon Julian-Milas** at (412) 655-2424 / [milass@einetwork.net](mailto:milass@einetwork.net) or any of the people listed to the left of this letter.

### Thank you for being a Community Business Partner.

Pleasant Hills Public Library is a 501(c)(3) nonprofit organization. Your contribution is tax-deductible to the extent allowed by law. No goods or services were provided in exchange for your generous financial donation.
